2024 Sponsorship Drive What Does Your Sponsorship Do?

Empower & Adapt

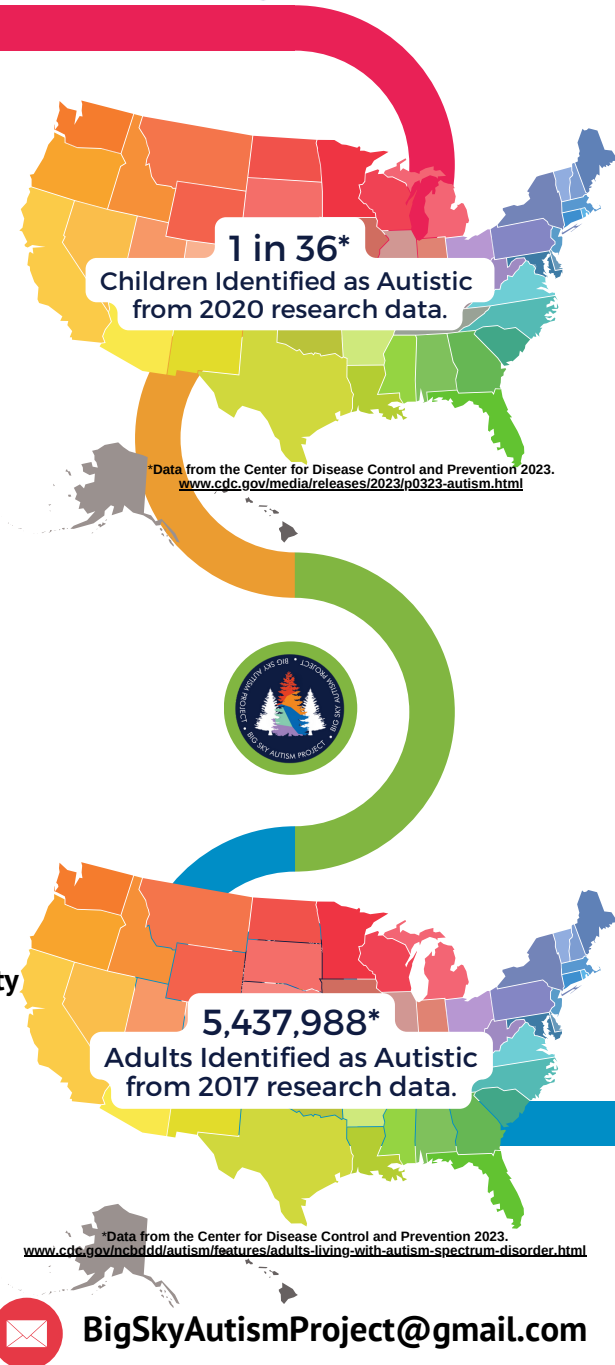

Sponsors help support our Adaptive Fitness Programs! Not only does adaptive fitness help with strength, endurance, and stability for individuals with autism and other special needs, but also provides a healthy way to release excessive energy, gain confidence, help with coping skills, and become more independent by gaining life skills.

Educate & Advocate

Sponsors help us train, coach, and provide hands on workshops and informational sessions in adaptive fitness for parents, caregivers, and professionals working with neurodivergent individuals. We attend many community events around Montana - SHAPE MT Conference, Professional Development Sessions, Fall Fest, County Fairs, Farmers Markets, etc - providing information and resources to stakeholders and the public.

Inclusion

Sponsors help us organize and host inclusive, sensory friendly community events throughout Montana - including the Many Abilities Fun Run & Festival, Animal Tracks Outreach Program, Townsend Turkey Trot, Kids Halloween Costume Contest, Christmas Stroll Kids Activities and more - providing unique and engaging experiences for all individuals.
